NAPKINS

PREMIUM
QUALITY

**NAPKINS**PREMIUM
QUALITY

Our new product, **SOFTPOINT** napkins from the Punta Punta range, are the quintessence of comfort and elegance on any table. Made from the highest quality tissue paper, they are exceptionally strong and absorbent. They are perfect for restaurants, hotels and cafés. Their pleasant texture and fabric-like appearance make them the perfect accessory for any table setting, adding elegance and style.

**SOFTPOINT** napkins

are made by fusing two layers of tissue paper, in particular using a special embossing and aeration technique, which gives them their exceptional softness and volume. The resulting product is not only practical, but also visually appealing, ensuring the highest level of user comfort.

PRODUCT FEATURES:

- ✓ fabric look and feel
- ✓ high quality Punta Punta
- ✓ original technology for fusing 2 layers of tissue paper
- ✓ extra soft and smooth
- ✓ high volume with little material
- ✓ absorbent and durable
- ✓ aerated
- ✓ own production napkins

INTENDED USE:

- ✓ ideal for the HoReCa sector
- ✓ highlighting special occasions
- ✓ for everyday use
